To Whom it May Concern:

It is my pleasure to recommend Todd Wallace as an executive level candidate for employment. Todd served as the President and Chief Technology Officer of IPOperations, Inc while I represented the company in a substantial litigation matter. I worked with Todd extensively through the process and found him to be very professional and possessed of a high degree of integrity and talent. Todd demonstrated business acumen, excellent communication skills and deep technical knowledge, a combination that is hard to find in a business leader. Todd would be a tremendous asset for any company and has my highest recommendation.

Yours very truly,

Gerald C. Conley
