

# GET ONLINE ANYWHERE.

Have reliable WiFi on all your devices, all the time, in all the places you go. That's Karma.

## Why Do We Do It

To create a world where internet access is as common as electricity. With Karma, you will have reliable WiFi on all of your devices, delivered through a completely seamless experience, anywhere you go.

## How Do We Do It

You just get online without complications, and choose how you pay for data: monthly or as-you-go. Never worry about fine print or contracts. Karma Go pocket-sized WiFi makes it all possible, giving you internet access anywhere.

## Get Online Together

We believe everyone should have access to the internet, which is why Karma Go is open to those around you. Anyone nearby can connect and get online, earning you rewards and bringing more internet to more places for more people.
